Cristar®

Hechos para **la vida**

Cristar es una filial de la compañía O-I, líder en el mercado colombiano de cristalería. Cuenta con capacidad de 200 millones de unidades anuales en un variado portafolio de productos con cerca de 300 moldes empacados en 750 SKU's.

Cristar está ubicada en Colombia, en la ciudad de Buga, posición geográfica estratégica que otorga las siguientes ventajas: Cercanía al puerto de Buenaventura sobre el Océano Pacífico, arancel de importación 0% para Estados Unidos y el mercado Andino.

Cristar exporta a más de 30 países entre los cuales se destacan Perú, Ecuador, Chile, México y Estados Unidos.

Certificación bajo la norma ISO 90012008 y BASC.

Premio "Proveedores Éxito" categoría hogar 2012.

Premio "Esfuerzo exportador" Portafolio 2008.

Premio "Mejor Proveedor Table Top" La Barra 2014.

Colombian glassware market. It has a wide range of product portfolio, being able to produce annually 200 million units with around 300 molds packed in approximately 750 SKU's.

Cristar is located in Buga, Colombia. Buga is on the colombian west coast near the pacific ocean which gives us the following advantages: Proximity to Buenaventura Port/Pacific Ocean and 0% import tariff to United States and the Andean Market.

Cristar exports to more than 30 countries including Peru, Ecuador, Chile, Mexico and USA.

ISO 9001 2008 and BASC certification.

Cristar was awarded: "Éxito Supplier" Home Category 2012.
"Thriving Exporter" Portafolio 2008.
"Best Table Top Supplier" La Barra 2014.

Hechos para la vida

Línea food service

Un portafolio con una amplia oferta de vasos y copas, nos ha permitido estar presente por más de 35 años en hoteles, restaurantes, bares, catering, hospitales e instituciones. Dentro de este portafolio Cristar ofrece un proceso que agrega mayor durabilidad. Este consiste en:

Borde templado

Proceso térmico realizado posterior a la formación del producto, se realiza sólo en el borde del producto con el fin de incrementar su resistencia a choques térmicos y mecánicos.

Food service line

A wide portfolio of glasses and wineglasses that has allowed us to make presence in hotels, restaurants, bars, catering, hospitals and institutions for more than 35 years. Within this portfolio, Cristar offers a process that adds greater durability; this process consists of:

Rim tempered

This special manufacturing process that offers increased resistance to thermal and mechanical shock products. In this process the heat is concentrated on the rim area, followed by the cooling process, allowing for a stronger product.

Este ícono identifica los productos con bordes templados. Encuéntralos al lado de la unidad de empaque en la que están disponibles.

This icon identifies the products with rim tempered. Find it next to the packaging information in which this process is available.
